DETAILED ACTION

Allowable Subject Matter

1. Claims 9-23 are allowed.
2. The following is an Examiner's statement of reasons for allowance: Claims 19, 28, 39 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior arts. Prior art fails to teach dynamically connecting one or more endpoints to a logical device adapted to provide the request service; and reconfiguring, if necessary, some of the one or more endpoints to effect data communication between the host computer and the selected logical device, as recited in Claims 9 and 18.

Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
